

Thank you for your interest in GReddy Performance Products, sponsorship program. You may send in a formal proposal to our marketing department at 9 Vanderbilt Irvine, CA 92618. Each Sponsorship is handled by a case by case basis. We do not sponsor full teams at this time.

We do not accept any proposals by e-mail. Please follow the below information for us to accept your proposal. A sponsorship proposal should include several key criteria for serious consideration:

- * Your complete contact information (*you would be surprised at how many people leave this out*)
- * A brief introduction of yourself and/or your company or team
- * Vehicle make, model and year
- * Vehicle engine combination, including hybrid set-ups
- * Aftermarket products currently on your vehicle
- * GReddy Products currently on your vehicle
- * Aftermarket products planned to be added to your vehicle
- * Current sponsors (*Ideally they should be non-conflicting to GReddy*)
- * Photos of the vehicle

(engine, front, profile and overall, including any applicable detail images)

- * List of past projects and referrals
- * Event attendance schedule
- * Confirmed upcoming media coverage, including media contact information

** Request of what exactly you wish to obtain from GReddy.

*** **What you can offer GReddy in exchange for our support.**

(Also Stickers Size, Location)

(driving around town with a sticker and telling you friends will not be sufficient, sorry)

The above-mentioned criteria should be presented in a professional, easy-to-follow format. We receive a large amount of proposals, so a professional presentation will ensure that your proposal is adequately reviewed. All proposals must be mailed in. No proposals will be accepted by e-mail.

This all must be mailed to our office:

Attn: Marketing Dept.
GReddy Performance Product Inc. 9 Vanderbilt
Irvine, Ca. 92688

Proposals and materials will not be returned. We also do not work with any 3rd party sponsorship assistance companies.

Do to the enormous amount of request we get, we can only contact you if we are interested.

Please understand we appreciate your effort and hope for success in your project, but we have a limited budget for sponsorship and the competition maybe very tough.
